

# Miyoun Cho

**Product Designer** | miyoun116@gmail.com

## EDUCATION

### **Academy of Art University**

*San Francisco, CA | Sep 2017 - Dec 2022*

Master of Fine Arts, Interaction and UI/UX Design

### **Kyung Hee University, Seoul, KOREA**

*Seoul, KOREA | Mar 2003 - Feb 2007*

Bachelor of Science, Nursing

## DESIGN WORK EXPERIENCES

### **INTOIT | UI/UX Design Intern**

*San Francisco, CA | May 2022 - Jan 2023*

Designed illustrations, icons, and symbols for plant-based products and composed brand imagery incorporating animations and infographics for an e-commerce website. Also, developed various marketing materials such as business cards, journals, and stickers.

### **DxD Lab, KAIST | UX Design / Research Intern**

*Daejeon, KOREA | Jun 2022 - Aug 2022*

Collaborated in ideation and user interviews for creating an App and IoT to improve the mental health conditions of call center workers.

### **Academy of Art University | Interaction and UI/UX Design**

*San Francisco, CA | Sep 2020 - Dec 2022*

Designed Doodle Lingo, an interactive English Learning App, for my thesis project. Developed wireframes and clickable prototypes, defined the system design, and conducted user tests to provide an enjoyable and intuitive user experience for young learners.

## OTHER EXPERIENCES

### **Samsung Medical Center | Registered Nurse**

*Seoul, KOREA | Aug 2007 - Sep 2012*

Worked in the gastroenterology ward and liver cancer center.
