

Miyoun Cho

Product Designer | miyoun116@gmail.com

EDUCATION

Academy of Art University

San Francisco, CA | Sep, 2017 - Dec, 2022

Master of Fine Arts, Interaction and UI/UX Design

Kyung Hee University, Seoul, KOREA

Seoul, KOREA | Mar, 2003 - Feb, 2007

Bachelor of Science, Nursing

DESIGN WORK EXPERIENCES

Academy of Art University | Interaction and UI/UX Design

San Francisco, CA | Sep, 2020 - Dec, 2022

Designed Doodle Lingo, an interactive English Learning App, for my thesis project. Developed wireframes and clickable prototypes, defined the system design, and conducted user tests to provide an enjoyable and intuitive user experience for young learners.

INTOIT | UI/UX Design Intern

San Francisco, CA | May, 2022 - Present

Designed illustrations, icons, and symbols for plant-based products and composed brand imagery incorporating animations and infographics for an e-commerce website. Also, developed various marketing materials such as business cards, journals, and stickers.

DxD Lab, KAIST | UX Design / Research Intern

Daejeon, KOREA | Jun, 2022 - Aug, 2022

Collaborated in ideation and user interviews for creating an App and IoT to improve the mental health conditions of call center workers.

OTHER EXPERIENCES

Samsung Medical Center | Registered Nurse

Seoul, KOREA | Aug, 2007 - Sep, 2012

Worked in the gastroenterology ward and liver cancer center.
